

## "Spokes"— and the Swift "Wheel"

What would you consumers think of a wheel without spokes?

What would you think of a man who would take any or all of the spokes out of a wheel to make it run better?

Swift & Company's business of getting fresh meat to you is a wheel, of which the packing plant is only the hub. Retail dealers are the rim—and Swift & Company Branch Houses are the spokes.

The hub wouldn't do the wheel much good and you wouldn't have much use for hub or rim if it weren't for the spokes that fit them all together to make a wheel of it.

Swift & Company Branch Houses are placed, after thorough investigation, in centers where they can be successfully operated and do the most good for the most people at the least possible cost.

Each "spoke" is in charge of a man who knows that he is there to keep you supplied at all times with meat, sweet and fresh; and who knows that if he doesn't do it, his competitor will.

How much good would the hub and the rim of the Swift "wheel" do you if the spokes were done away with?

Swift & Company, U. S. A.

COURT

CANDIDATE FOR RE-ELECTION

McCOOK REPUBLICAN: "Judge Rose has been serving as a Judge of the Supreme Court since 1908 and has made a most creditable record on the Bench as well as in every position he has ever held, administering the affairs of that position without fear or favor."

NEBRASKA DEMOCRAT (August, 1918): "Judge Rose is broad. He does not jump at conclusions. His motto is to give every party in his court a square deal and that is all the American people want. The judge is in the prime of life, strong, robust, healthy and a constant student."

### INFLUENZA WORSE

THAN HUN BULLETS

### CLAIMING MORE VICTIMS THAN

BATTLE FRONTS OF EUROPE

—DISEASE CAN BE

AVOIDED.

According to carefully compiled statistics it is an indisputable fact that the Spanish Influenza epidemic which is now sweeping all parts of the country is daily claiming far more victims than German bullets on the battle fronts of Europe. Although civil and military authorities have succeeded in checking the disease in some localities, it is growing worse in others and continues to spread at an alarming rate. That the disease can be avoided there is no longer any doubt. According to leading authorities the powers of resistance of the human system can be so perfected that it can throw off almost any infection, not even excepting Spanish influenza, which is one of the most contagious diseases known.

It is persons who are suffering from lowered vitality, who are weak and rundown and who have not the strength to throw off who are the earliest victims. Persons who have had colds, who are suffering from catarrhal troubles, or inflammation of the mucous membranes are especially susceptible, as the inflamed mucous membrane linings of the nose and throat are an open door to the germs. This condition is almost always accompanied by a weakened condition of the system.

If you are suffering from any of these symptoms, nothing on earth will build you up and strengthen you like Tanlac, which contains the most powerful tonic properties known to science.

This statement is easily proven by the fact that Tanlac is now having the greatest sale of any system tonic in the history of medicine. In less than four years time over Ten Million Bottles have been sold and the demand is constantly increasing. Thousands are using it daily for the above troubles with the most astonishing and gratifying results.

Tanlac increases your strength and weight and creates a good, healthy appetite for nourishing food. It keeps you physically fit and helps every organ of the body perform its proper function in the natural way.

In connection with the Tanlac Treatment be sure and keep the bowels open by taking Tanlac Laxative Tablets, samples of which are included in every bottle.

Tanlac is sold in Dakota City by Neiswanger Pharmacy.—Ady.

### Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. The
